Dear Sylvia Mata (come caca☹ ha☹lia☹ I promise that's the last time I'll say that.)

Just for capping on my school (which is better than the dorky, stupid retarded school that you came from) I'm going to tell you what I really think of you☹ You're a stuck-up, conceited, thinks she's hot, cracks stupid jokes, and smells tog person☹ But that's O.K. cuz I still Love You even if you are like your friends from you know where. (I don't like to say that name cuz it leaves a bad taste in my mouth☹)

I'm just kidding Sylvia you know I don't mean all those things but you have to admit S.H. is a lot (and I mean a lot☹) better than Resurrection (blah☹ bad taste☹)

Story Of The Year

On June 2, 1982, the world had the nonor of welcoming into the world Prince William Arthur Phillip Louis of England. The little prince was born nearly a year after the fairy-tale marriage of his parents, Prince Charles and Princess Diana of Wales.

Barney Clark, a dentist from Washington, has survived the successful implant of the first artificial heart. That's heartwarming news.

Unemployment was the biggest news scoop of the year. The unemployment rate reached a record high for the first time since the Great Depression of the 1930's.

The big blockbuster movie of the year was that lovable creature from another planet, "E.T. - The Extra- Terrestrial". "E.T." was the movie that brought in the most money this year and it sure had its share of stiff competition. This marks another hit for producer Steven Spielberg.

Leonid Brezhnev, President of the Soviet Union, dead at the age of 75. Power now lies with Yuri Andropov, comrade of Russian Politburo.

Henry Fonda (1905-1982) died on August 15, of natural causes. Fonda had more than 80 films to his credit. Of all american screen stars, Henry Fonda had kept the strongest continuity in live theater. He portrayed a variety of roles, from Okie Tom Joad in "The Grapes of Wrath" (1940) to a president in "Young Mr. Lincoln" (1939). Other performances include "Ox Bow Incident" (1943), "Mr. Roberts (1955). "Twelve Angry Men" (1957), and his Oscar winning performance in "On Golden Pond" (1981).

Ingrid Bergman (1915-1982), the fine actress who had, at the young age of 24, already starred in 11 movies, dies at the age of 67. Ingrid Bergman co-starred with such leading men as Gary Cooper in "For Whom the Bell Tolls?", Humphrey Bogart in "Casablanca" (1942), and with Cary Grant in "Notorious" (1946) in which she won full glory as an actress. She won three Academy Awards for Movies: "Gaslight", "Anastasia", and "Murder on the Orient Express". Ms. Bergman fought, with deep courage, an eight year battle against the cancer which ultimately took her life last September.

Her Serene Highness Princess Grace of Monaco died last September 20, 1982, due to injuries obtained when her car was driven off a curve in Corniche, Monaco. There was some speculation that Princess Stephanie, her youngest daughter, was driving. Although Grace Kelly's film career lasted only five years, she was a celebrated actress. She starred with Gary Cooper in "High Noon" (1952), and Clark Gable in "Mogambo" (1953). She also starred in "Dial M for Murder" (1954), with William Holden in "Country Girl" (1954), for which she won an Oscar, with Cary Grant in "To catch A Thief" (1955), and with Bing Crosby in "High Society" (1956). The same year, Philadelphian Grace Kelly married Prince Rainier of Monaco. Her Serene Highness Princess Grace of Monaco died at the age of 52.

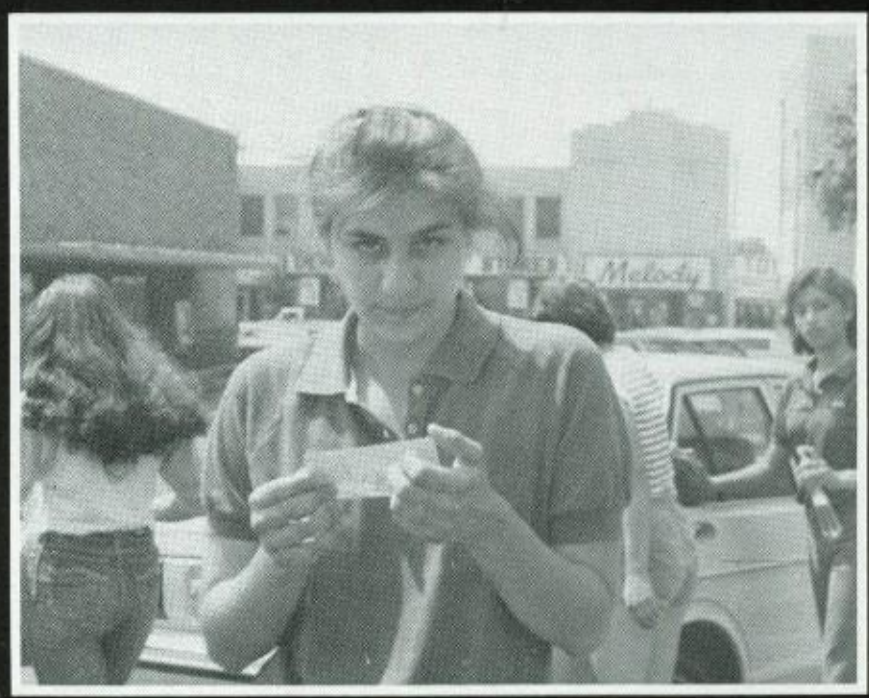
Student Council In Action



This years Student Council began activities during the summer of 1982 with a wet and wild car wash. It was hard work, but fun. As usual the cars and the Council got equally doused. (See right for details!)

Laura Chavez, Student Body President, (above, top) has participated in many interesting school activities from the Council boardroom to the Sadies' barroom.

Probably the most important decisions concerning the students come from the concerted efforts of active Council members like the one above. Meetings are action-packed affairs and no one takes anything lying down.

Sister Christopher Miller, Principal

My Dear Seniors,

"Who shall find a valiant woman? She is far beyond the price of pearls." This quotation from the Book of Proverbs raises a very interesting philosophical question what does it mean to be a woman? I will attempt to give some answers to that question. It means, among other things, that you carry within you the strength of a legion of men and the frailty of a blade of grass. It also means that you have a tremendous power for leading others to good; you also have - if you are vain and selfish - the power to lead others to their destruction. These are the terrifying powers that you hold. You can send yourself forth in love to others or you can draw them to yourself in a selfish love. These choices determine your frustration or your fulfillment in life.

Each and every one of us must search for our own true identity. SIT DOWN. BE STILL. THINK Think about life and all that life is filled with - beauty, ugliness, love, hate, joy, sorrow, truth - and falsehood that may even masquerade as truth. If you have not pondered these things in your heart to separate and distinguish them, if you have not pondered their real meaning in the world, you cannot find your own real meaning - your own identity.

In silence and in contemplation Mary, the Mother of Jesus, "pondered all of these things in her heart." It is in silence and in contemplation that these perplexities will become clear to you and you will begin to trace their pattern in the infinite plan of God.

You as women must fulfill your destiny by loving. It is of the basic nature of woman that she must love - and if she does not love - her life and personality will wither.

If your true vocation as a woman is to be a lover, what then of your avocation or profession in life? We have many examples of famous women in history: Ruth, Esther, Mary of Magdala, Mary the Mother of Jesus, Catherine of Siena, Teresa of Avila, Madame Curie of France, Golda Meir of Israel, Mother Teresa of Calcutta. What immediately comes to mind with respect to each of these famous women? Each one is remembered for her LOVE love of a person, love of a country, love of mankind, love of God.

Your choice of a profession, then, must fulfill your basic desire to love - to give life. If by choosing to be an architect or a carpenter you can create a thing of beauty - you will find a part of your fulfillment. If by being a doctor or a nurse you can give life - you will find part of your fulfillment. If by being a religious and giving yourself to the service of others - to bring them life and love - then you will find your fulfillment. If by joining in holy matrimony with the man that God sent you - and in love bring forth life - then you will find your fulfillment.

In this day and age of so-called "women's lib" there are those who would try to convince women to try new professions - perhaps even new life styles. The basic question than to ask one's self is: does this help me to love - to give life? The woman of deep wisdom has woven into the texture of her mind and heart a part of all the lovely things the world has ever known. You are a woman! God bless you.

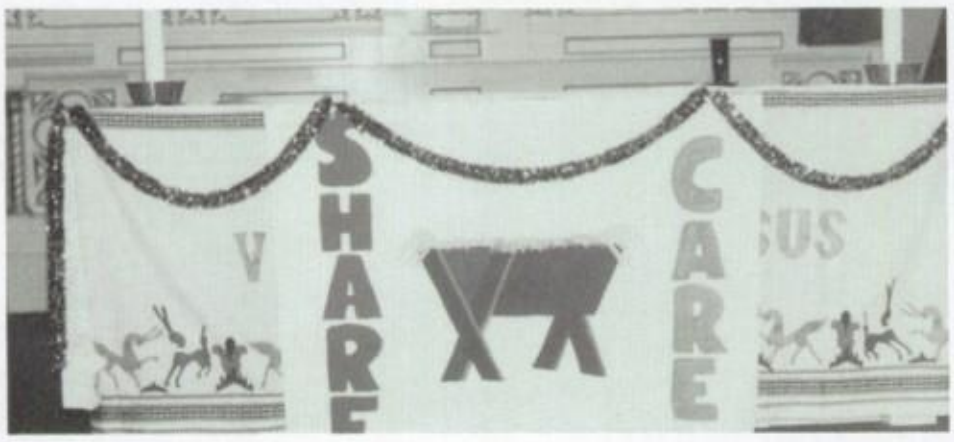
CAM

CAM officers are: back, Cruz Rodriguez, Vice-president; Maria Quintana, Secretary-treasurer; front, Veronica Lau, President; and Rhodora Fernandez, Publicity Chairperson.



CAM, Christian Action Movement, is responsible for much of the spirit at SHHS. It is a small, but active group which helps to foster Christian love within the school and in the community. CAM sponsors food drives as one way of helping people in need; the members also visit the elderly as part of their mission to spread the warmth of Christ to all.

CAM members turn out full force, and no one can be accused of being camera shy in this elite group!

Lifers

Always making new friends gives us something to smile about.

Living In Faith Experience

Through this club we have learned who we are, what our purpose in life is, and what role we play in the lives of others. We have learned to take strength from our faith, and use it to better ourselves. Using the skills we have acquired, we try to reach out to others in the best way we know. These skills are learned at a LIFE retreat. One of the skills, communicating, is very important in this club. Our whole purpose is to communicate with others and help each other become "Fully Alive" in God.

Lifers are, front: Monica Madrigal, Gabriela Ortuzar, Pat Canche, Pat Villasenor, Fabiola Flores, and Sister Doris Ann. Back: Lorena Arriola, Veronica Mata, Margie Carillo, Adriana Quezada, and Veronica Lau.

Liturgy

Liturgical Club Co-presidents are: Carmen Mares, Ana Mares, and Margie Carillo.

Members sing at all school Masses.

Members of the Liturgical Club do much more than lead the singing at out student body Masses. This dedicated group of girls spends many hours carefully choosing the songs, music and readings that will enhance the theme of each Mass. Sacred Heart is proud of its Liturgical Club because of the important spiritual role it plays in our high school.

Choral Society

This year, the vocal talents of both Sacred Heart and Cathedral came together to form the Sacred Heart-Cathedral Choral Society whose director is Mr. Jalil Romano. It goes without saying that many hours of hard work are put in by both director and singers to achieve the formidable results Sacred Heart and Cathedral have heard at their student body Masses.

Choral Society performing at PTA Christmas Assembly.

Drama Club

There's me taking an something & picture even in. I don't see half these people in the play. I wasn't

Sacred Heart's Masquers are a talented and dedicated group. These budding actresses perform under the direction of Sister Mary Edward. This year they joined the choral group for a beautiful Christmas program.

Spanish Club

One does not have to speak Spanish in order to become a member of this club which is dedicated to making the student body more aware of our Hispanic heritage. The Spanish Club is an educational experience because of the cultural knowledge that its members acquire. The club also associates with other schools so as to further expand and share our knowledge of our Mexican culture. Among its activities, the Spanish Club is in charge of the Christmas mail service offered to the students during the month of December.

Officers are: A. Ochoa, B. Yanez, J. Mora, and M.E. Diaz.

California Scholarship Federation

CSF officers are: Sister Evelyn, moderator; Elsa Castaneda, President; Maria Quintana, Vice-president; Sandra Urueta, Treasurer; Maria Gallegos, Publicity Chairperson; and Sylvia Gonzalez, Secretary.

National Honor Society

Sacred Heart High School sponsors the Aquinas Chapter of the California Scholarship Federation and the National Honor Society. The members of either the CSF or NHS must show that they are truly living out the club's motto, "Scholarship for Service," by giving of their time in some form of volunteer service and by demonstrating good citizenship and leadership qualities. Many of the girls are volunteers at hospitals, tutor other students in subjects such as mathematics and Spanish, or are active in their Parishes. Both Honor Societies encourage and reward good academic study. At graduation, those girls having been members of the CSF four out of the six semesters receive a gold cord and the seals of both the CSF and NHS on their diploma. The same applies for those members of the NHS except that their cord is red and they receive only the seal of the NHS on their diploma.

Girls Athletic Association

Officers: J. Mora, C. Tinajero, L. Domingo, Moderator: Ms. Carranza

The Girls Athletic Association is the heart of Comet spirit. Members show their Comet pride by participating in sports, attending games, and cheerleading.

Lettermen Society

Members of the Lettermen Society earn their sweater by accumulating a total of 300 points through the G.A.A. These points can be earned in a number of ways: joining a team, regularly attending games and meetings, and either being a class or varsity cheerleader. Chevrons are earned by each additional 150 points after the initial 300. Lettermen serve as honor guards and usher as student body Masses, assemblies and other school functions. Lettermen wear their sweater with great pride because it's earned through a lot of hard work.

Officers: Mari Vasquez, President; Angie Castillo, Vice-president; Delia Pinela, Secretary.

YESTERDAY'S MEMORIES

What a beautiful memory when you share it with others. It is a feeling of love, joy and no sorrow. It is an event I recall in my heart not my mouth. But it came to life when I spoke about it to others. It's the same feeling, the same dream, the same joy. And I will recall it over and over again, so that others may dream the way I have.

Thank you Sacred Heart Familia, especially you Royals, for all the memories you've given me. I'll always remember you, because you're all so special

Love - Alicia Arreguin
Class of '83

Fabi,
You've really made my senior year very special. We've shared some good times, and we've made it through bad. You were always there for me. I could never thank you, or love you enough for even the smallest favors you've done for me. Because it was the little things that made me realize what a lucky guy I am to have you, Because it's not every guy who can say that he has a girlfriend who's not only beautiful on the outside, but beautiful on the inside as well.

I love you,
"Hemmi"

IT'S BEEN REALLY NEAT KNOWING YOU FOR THE PAST 5 YEARS.

WE'VE SHARED QUITE A NUMBER OF MEMORABLE EXPERIENCES ~~AS~~ (UNFULLY) ~~EXPERIENCE~~ TWICE AS MANY IN THE FUTURE.

OUR FRESHMEN YEAR IS ALMOST OVER (I CAN'T BELIEVE IT!) AND I'M GLAD FOR ALL THE FUN I HAD WITH YOU AND OUR LITTLE GROUP (M.P.F (MIMITZA) CINDY, ANGIE, MARGIE, & US) WITH THOSE STUPID NAMES (WHICH WE WON) AND MR. MARCA (Y! FAN STYLE) "MA-CA!" & ALL HIS NOTES.

WELL NOW, JUST "THANKS" FOR BEING A FRIEND, I APPRECIATE IT.

I'M HOPING WE'LL HAVE SOME CLASSES TOGETHER NEXT YEAR SO WE CAN KEEP LAUGHING AT ~~EVERY~~ EVERYTHING, AND SO WE CAN STUDY OUR HEADS OFF FOR EXAMS, AND STUFF.

Editor's Note

Dear Readers,

I hope you have enjoyed looking through the new 1983 Cor Regis yearbook. I hope you will be proud of our book and will feel that the past year of planning, fund raising, and publishing were all worth it.

I wish to thank a few special people who have made the completion of this possible: to the Student Body, especially the Senior Class, for helping us raise our quota; to our representative, Mr. Dave Sorenson, for all his help; to Michael from Alfred and Fabris Studios for his expert pictures; to a few special people on my staff—Beatriz, thanks for your beautiful drawings; Veronica, thanks for all your help and picture taking. Last but not least, I would like to thank Ms. Wheeler for all her support and friendship; without her I would never have lasted as long as I did! I hope you, the reader, will enjoy, and I wish the 1984 Cor Regis Yearbook staff all the luck in the world—you will need it!

Respectfully yours,

Cor Regis Yearbook Staff Editor
